“Still one of the standard-bearers of Montréal haute cuisine”, this “memorable” Mile End boîte continues to “dazzle” with Marc de Canck’s “top-notch” Québécois-Eclectic fare offered à la carte or in a “world-class” seven-course tasting menu with “bold” wine pairings; in spite of an “understated” ambience, prices are “sky-high”, though “frugal” sorts sing the praises of the \$25 prix fixe lunch on weekdays – *“bon appétit!”*
